Family Comments

- The whole team was amazing! The nurses were very honest but always spoke in a kind and respectful manner. The chaplain was so wonderful and supportive. I have already recommended Lutheran Hospice to others.
- My entire hospice team was wonderful. I had everything I needed from my team. I have already recommended one family and they are now receiving the same wonderful care my family received.
- Mom's care was so professional and heart-warming. I could not have asked for anyone better to take care of my mother. They helped make our mom's death a little easier being with us for those last 13 days.
